A Message From . . .

. . . the President

Welcome to another year of exciting athletic events and programs at Avila University.

We congratulate our student athletes on their achievements in sports and their successes in their academic pursuits. Avila varsity athletic programs include football, men and women's basketball and soccer, men's and women's volleyball, baseball, softball, women's golf and competitive dance and cheer.

There are numerous activities at Avila for all of our students including intramural sports, theatre, debate, and a variety of student organizations. Because of our size, all students can participate and take leadership roles in activities of their choice.

Most importantly, the Sisters of St. Joseph founded Avila in 1916 based on the value of excellence. We are committed to helping our students achieve excellence in their chosen fields of study and in their lives.

Join us in enjoying the excitement of Avila University athletic competition!

Sincerely,

Thomas F. Gordon, J.D., LL.M
President
Avila University

. . . the Athletic Director

Welcome to another exciting season of Avila Athletics. Avila has experienced a tremendous expansion since last school year. AU is as committed now as it has ever been to providing for our student-athletes.

This support comes in a variety of ways. Obvious examples of support are physical improvements. These improvements include the recent expansion of the Mabee Field House which included new locker rooms, a new training room, a multi-purpose room, a new softball/baseball batting cage, an expansive weight room, and a new playing surface for our volleyball and basketball teams. Our baseball field received a beautiful new Bermuda grass infield and we have built a new multi-purpose practice facility that will be utilized by our soccer and football teams.

These are just a few examples of the support our student-athletes are receiving. An additional type of support our students deserve is yours! Your involvement by regular attendance at competitions, vocal encouragement, and good sportsmanship are easy ways you can be supportive of our student-athletes.

Thank you for your interest in Avila Athletics and I look forward to seeing you at many more events this year.
GO EAGLES!

Sincerely,

Mike Sharpe
Director of Athletics

2003 Team Outlook

When head coach Tim Johnson takes the field with the Eagles this season, he'll see a lot of familiar faces. Johnson returns a veteran squad that could be ready to turn the fortunes around for the Eagles, coming off a misleading 4-6 season, in which Avila dropped three close games in the last quarter.

AU returns 20 starters from its second season, ten on offense and ten on defense to form the nucleus of Coach Johnson's third varsity season.

On offense, the returnees include four All HAAC selections. Runningbacks Ahmad Ashkar and Kevin Furderer, wide receiver Richard Cooper and offensive lineman John Mulnix. Johnson expects a battle at the quarterback position. AU has three returnees who are competing for the starting nod at the quarterback position: Malik Kincheloe started in 2001, Brandon Allen started in 2002 and Jeff Stone has game experience in both seasons. All of their performances stood out during spring drills. As soon as one quarterback took an edge in the competition, another stepped up and closed any gap that may have existed just as promptly.

On defense there are two All-HAAC selections one from the secondary, Aaron Jones and one from the defensive line, Travis Myers. Speed and experience should be the key on defense.

The special teams return with two All-HAAC selections Massimo Scaccia at kicker and Matthew Witcher at punter will be a huge factor in the battle for field position.

According to the coaching staff, the Eagles had a fine spring and off season strength and conditioning program. The players were intense, enthusiastic and definitely unified.

With two seasons under their belts and a large core of juniors the Eagles should be very competitive in 2003. Go Eagles!

Head Coach

Avila University head football coach Tim Johnson took over the helm of the startup program at Avila back in the spring of 2000 - and with the third year of varsity

competition in the tradition-rich HAAC on tap for this fall, Johnson is expecting his team to be ready for action.

A graduate of Rockhurst High School in Kansas City, Johnson was a four-year starter at William Jewell (Mo.) as a player, earning All-American honors at

linebacker and Academic All-American status in the classroom. A graduate with honors from Oxford University in England, Johnson holds a master's degree in Education from the University of Memphis.

His coaching career has taken him to many corners of the world, literally - Johnson coached for many years in the off season as a head coach in Finland. In the States, he earned his reputation as a linebacker coach and defensive coordinator at such NAIA powerhouse programs as Lambuth (Tenn.), Baker (Kan.) and Lindenwood (Mo.). Coach Johnson is also a certified strength and conditioning coach (C.S.C.S.).

Johnson and his wife, Eija, have two sons - Eero (9) and Teo (4).

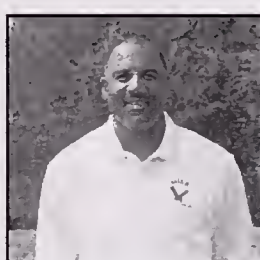

Coaching Staff

Tony Perkins
Offense Coord./QB's

Floyd Peterson
Defensive Coord./DL

Ivan Pearl
Defensive Secondary

Patton Connour
Runningbacks

Mike Riley
Offensive Line

Ryan Short
Wide Receivers

Brennen McCarty
Outside Linebackers

Tom Johnson
Special Teams Coord./K-P

Luke Weister
Asst. Offensive Line

Jeff Stone
Asst. Quarterbacks

Offensive Line

Ten starters, plus several other performers who have started games, give the Eagles excellent experience in many key areas. The system continues to be the *split*

back veer, a control the ball offense. Although the Eagles run a controlled offense the passing game will be a key factor in 2003.

Offensive Line

The Eagle offensive line returns with four of the five starters from last season. They include All-HAAC center **John Mulnix**. Rounding out the line will be **Cellesio Hernandez**, **Colter Nielson**, **Steven Burdge** and **Rene Delgadillo**. Also transfer **Gary Ellis** looks to be fighting for a starting position.

Backfield

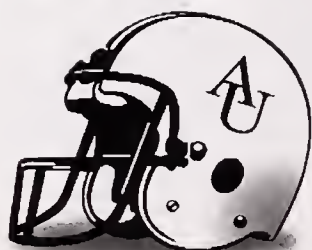

Quarterback

As mentioned **Brandon Allen** was last year's starter, but the talents of **Malik Kincheloe** and **Jeff Stone** the baton could be passed all year long.

Runningback

This is an area of strength for the Eagles, both in quality and quantity. With **Ahmad Ashkar** and **Kevin Furderer**, last year's two All-HAAC runningbacks and returning runningback **Turner Elkins** the Eagles should be able to move the ball. Also in the mix will be **Dennis Rodriguez** and transfer **Gary Frazier**

STARK

PROFESSIONAL PHARMACIES

We offer custom prescriptions including
Natural Hormone Replacement Therapy

(913) 345-8585

www.starkpharmacies.com

Receivers

Wide Receiver

This is another area in which the Eagles are talented, returning All-HAAC **Richard Cooper** can dominate defenses. In addition **Chad Moch** and **Michael Deen** are both quality receivers.

Tight End

With returning starter **Colter Nielsen** leading the way the competition for tight end is intense with **Eric Butler** and **Jimmy Cates** pushing for the starting position.

Special Teams

Special Teams:

Coach Johnson considers the special teams as important, if not more important than the offense and defensive.

Returning for the Eagle's special teams unit are All-Conference kicker, **Massimo Scaccia**, and All-Conference punter **Mathew Witcher**. They will be backed up by returning specialists **Brian O'Donnell**, **Nick Tebbe**, **Tayne Preno**, **Keith Thompson**, **Turner Elkins**, and **Dennys Rodriguez**.

Defensive Line

The Defense

With ten starting players returning the defense should be much improved in 2003. They are bigger, stronger, faster and more experienced.

The Defensive Line

Lead by All-HAAC nose guard **Travis Myers** this group should fare very well this season. Returning starters **Jerald Groves**, **Jeremiah West** and **Clint Fizer** expect to improve their game in 2003. Transfer **Brian Koehler** will fit in very well. Returnee **Tayne Preno** had a great spring camp and will push hard for playing time.

Linebackers

The Linebackers

The linebacker core should be a solid unit on the defense. Returning starters led by **Kris Peterson**, **David Garner**, **Anthony Rigolizzo**, **Mohamad Raduan**, **Nick Tebbe**, **Brian O'Donnell** and **Sean Supplee**. Included are newcomers **Brian Potterbin** and **Eric Pingleton**.

Secondary

The Secondary

Heading the secondary is **Aaron Jones**, All-HAAC defensive back. **Leonard Casey** and **LaQuan Rogers** will definitely make a difference. After starting in the first five games **Steve Miller** will be returning after missing the rest of the 2002 season with a broken hand. Also **Keith Thompson** who has game experience in the secondary as well as on special teams will be returning. **Will Ball**, who was injured last season, will be back with a clean bill of health.

Cheer

In just their third year of existence, the Avila Cheerleaders have quickly become an intercollegiate program of which the university can be proud. The Cheerleaders perform at both home and away intercollegiate football and basketball events. They perform cheers, stunts, pyramids, and tumbling.

The Avila Cheerleaders took a giant step forward this year, recognized as one of the top collegiate cheer squads in the Midwest at the UCA competition at Walt Disney World in Orlando, Florida. The Squad won honors in the double stunt competition.

Under the direction of head coach Jason Sack, the Avila Cheerleaders have developed an intensive and comprehensive training program, which includes physical conditioning, and stunt development. The Avila Cheerleaders have set as their goal to support the interscholastic sports programs and the promotion of school spirit as a whole. They strive to be goodwill ambassadors of the University and of the community through the involvement in and promotion of programs and activities. They work together to attain excellence in their performance with the ultimate goal of competition at the national level.

Dance

Avila University's Glitter Girls dance program has quickly developed into one of the premier college dance programs in the United States. Not only do the Glitter Girls perform at campus events and football and basketball contests, they also compete on the national level.

In each of the three years of their existence, the Glitter Girls have qualified to compete at the Universal Cheer and Dance Association's National Championship held in January at Walt Disney World in Orlando, Florida.

Under the direction of head coach Cindy Freeman, the Glitter Girls feature many studio-trained dancers with both competitive and professional experience. The dance program's comprehensive instruction includes strenuous physical conditioning and intensive flexibility and technique training.

Today's Game

Tonight's game features the Avila University Eagles (0-1) against visiting Missouri Valley Vikings(0-1). The Eagles had a close defeat in their first contest and look to this game to notch the first win in Heart of America play.

The home Eagles are led by a stingy defense that only gave up six points in their last contest and under one-hundred and fifty yards total offense. The most valuable player of last game LaQuan Rogers, looks forward to extending his string of interceptions and tackles. Also, with a defensive line that features Travis Myers and Jerald Groves, anticipate a run stopping defense by the Eagles. Linebackers Kris Peterson and Anthony Rigolizzo also plan on limiting the weapons of the Vikings.

On offense, Avila plans on improving on a sluggish start in the first game. Look for the offensive lineman, featuring John Mulnix, Gary Ellis, and Celessio Hernandez, to be the deciding factor in this game, giving the much needed push forward to a powerful running game. This push provided by the line will enable starting quarterback Malik Kincheloe an opportunity to unleash his athletic playmaking ability, with running backs Kevin Furderer and Ahmad Ashkar, leading a powerful attack on the ground. In the air, defenses are constantly aware of wide receiver Richard Cooper who can provide the big play when needed.

Finally, look for the special teams of the Eagles led by all conference punter, Matt Witcher, and kicker Massimo Scaccia, to provide scoring opportunities and ball control for the Eagles.

Both the visiting Vikings and home Eagles, anticipate a challenge to attain the first victory of the 2003 season.

Avila University is a dynamic, Catholic, four-year liberal arts and pre-professional university, sponsored and founded by the Sisters of St. Joseph of Carondelet. The University offers a broad range of studies - from business to corporate communications to allied health, just to name a few. Avila offers nearly 40 undergraduate degree programs and three graduate degree programs, many of which were the first of their kind in the Kansas City area.

For example, Avila was the first college in the Kansas City area to offer programs in nursing ... gerontology ... social work. We're also the first - and currently only - four-year Kansas City college to offer a paralegal program approved by the American Bar Association. We're one of only 23 colleges and universities in the entire country that offer a four-year degree in radiologic technology. And we offer the only accredited bachelor's degree in social work in the Kansas City area.

Come visit the campus at 119th and Wornall in suburban south Kansas City and discover even more surprises about Avila University!
